# What do we do?

- Perform energy audits
- Replace or retrofit existing lighting systems
- Installation of power factor correction capacitors
- Installation of energy management systems

# Where have we done it?

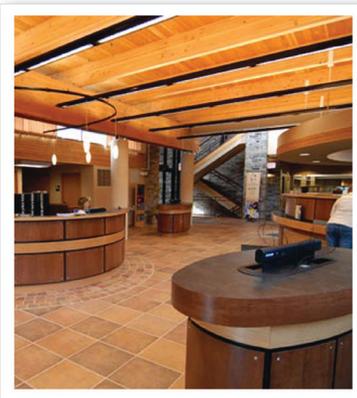

- Big box stores (Target)
- Retail (Schneidermans furniture)
- Groceries stores (Cub Foods, Byerly's)
- Bank of Elk River
- Industrial buildings -  
(Warehouses, Machine shops)
- Outdoor venues  
(Parking lots, Bank drive thrus)

# How do we do it?

On the equipment we audited for Company X they were paying, for one building, \$361,418.69 a year in energy costs. After our installation was done they paid \$287,441.30 a year. We saved them \$73,977.38 a year

They also qualified for a rebate of \$21,899.54 and Tax deduction of \$ 42,000.00 for one year or spread over three years.

Bank of Elk River

# We can do the same for you.

Whether it is a simple lamp change or something more comprehensive, our team of professionals have the knowledge, capability and tools necessary to increase the value of your space, reduce your utility costs while simultaneously saving you the most money. Give us a call and let us see what we can do for you.
