### GENERAL CONDITIONS FOR POOL CLOSING:

1. Please have pool cover, water bags and plugs etc. near the pool the day of closing. Our men will not search sheds, garages, etc. for equipment.  
**IF PLUGS OR WATER BAGS ARE NEEDED THE CUSTOMER WILL BE BILLED AT THE TIME OF CLOSING.\***
2. Water should be balanced and the pool cleaned the day of closing. If you would like the pool vacuumed the day of closing, please schedule this with the closing of your pool. There is an additional charge of \$90.00 + tax for this service.
3. The customer is responsible for providing drainage facilities within 200 feet of the pool. Del Val Pool Maintenance will exercise every reasonable caution to prevent damage, but cannot be responsible for water damage to property. Any damage will be the responsibility of the customer.
4. For safety reasons, please have pets properly restrained.
5. Please provide our office with a phone number where you can be reached the day of closing.
6. Pump offs during winter months \$90.00 + tax.

### REPAIRS AND ESTIMATES:

At the time of closing our service technicians will evaluate your filter system along with the general condition of your pool. This will help to provide you with better service for the upcoming swim season.

**Experience. Quality. Commitment.**
