HOW TO GET YOUR COMPLIMENTARY STUDIO DESIGN PREVIEW

No Obligation. No High-Pressure Sales.

We're simply here to help you visualize the possibilities for your home before you build, remodel, or invest.

The Introductory Offer: The first 10 qualifying homeowners receive ONE complimentary Studio Design Preview (one exterior OR one interior room). After the first 10, previews are \$25 each.

What's Included: One professionally prepared Studio Design Preview based on the photo and information you provide.

Choose ONE Design Area: One exterior OR one interior room. Additional design areas or revisions are available for an additional design fee.

Need Help?: If you're unable to take or upload your photo(s), simply give us a call. If your property is within **Jamestown city limits**, we'll gladly stop by and take the photos for you.

No Purchase Required: There is absolutely no obligation to purchase.

Credit Toward Purchase: If you purchase your project through **The Studio Building & Design Center**, your **\$25 Design Preview fee** will be credited toward your purchase.

Concept Renderings: Studio Design Previews are intended to help you visualize design ideas. They are **not construction drawings** and actual products, colors, materials, and finishes may vary.
