Create Your Boundaries

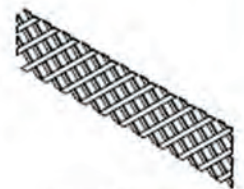

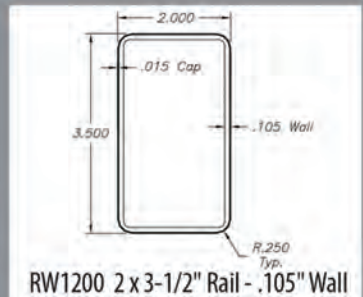

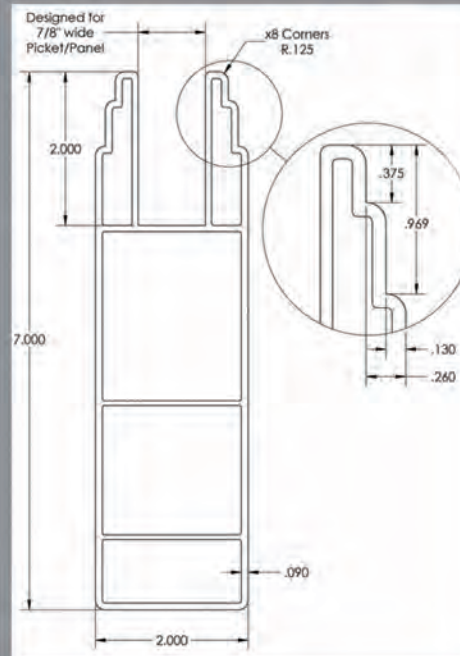

Endevers Fence LLC is an established, fully licensed and insured fence company.

We specialize in vinyl, aluminum, and cedar fencing and railing installations. We also install chain link, stockade, wrought iron, guard rail and temporary fence. Our projects range from full backyards, frontal sections, deck and step railings, pool fence, trash enclosures, dog kennels, shower stalls, repairs, and custom applications.

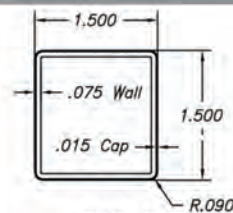

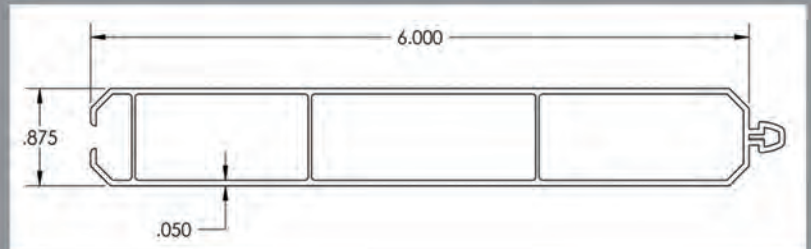

Residential and commercial work is the core of our business. Here at Endevers Fence we are family oriented, take pride with providing every customer with the utmost professionalism and care, and treating your home or business as if it was our own. Our team conducts themselves in a courteous and professional manner at all times. Our goals are simple: customer satisfaction is our priority and each project, no matter how big or small, deserves the utmost quality and service.

CUSTOMER SATISFACTION IS NUMBER ONE!

LOKK LATCH PRO

This is the privacy latch fencing contractors and locksmiths have been waiting for! Award-winning Lokk•Latch PRO® is the most sophisticated privacy and security gate latch ever devised. This quality, two-part latch can be operated and locked from either side of the gate! It can be conveniently keyed-alike (by a locksmith) to match most household doors by way of its sturdy 6-pin security lock. This stylishly designed latch is manufactured from molded, rust-proof polymer materials and marine-grade stainless steel components, all of which ensure a robust, high-impact product that's designed to last.

MAGNA LATCH

Ideal for Swimming Pools and other Child Safety Gates. Easy to install within minutes. The high mounting position is specially designed to be out of reach of children. Combine this product with our Tru•Close® self-closing gate hinges for the ultimate in safe and dependable gate operation.

MULTI ADJUST HINGE

The Tru•Close® "MULTI-ADJUST™" tension-adjustable hinge is the ideal hinge for vinyl or wood gates. This revolutionary heavy duty hinge offers the ultimate range of vertical and horizontal adjustment, plus tension adjustment, for large, heavy or high traffic gates. This, combined with fast, convenient fitting alignment, makes the MULTIADJUST™ from Tru•Close® the ideal "big gate hinge." The MULTI-ADJUST hinge carries all the usual Tru•Close® hinge benefits: no rusting, no binding, no sagging and no staining! The most notable feature is the horizontal and vertical adjustment - the ability to adjust the hinge (the gate) up to 3/4" (19mm) in either a vertical or a horizontal direction at any time after installation.
