DeeDee's Story

DeeDee was born in Rexburg, Idaho, and raised in a small nearby town close to her grandparents. Her father owned a Pontiac dealership, and her parents later purchased Camp Fire Lodge, where she worked cleaning cabins, doing laundry, waiting tables, and helping in the kitchen. Over the years, she held various roles, including homemaker, secretary, and office manager—her favorite being homemaker. Her mother taught her to cook and bake pies.

DeeAnne met her husband at church in Palo Alto, California, while attending Stanford University. They married in Idaho Falls in 1967 and began their life together in New York, where they had six children.

DeeDee also lived in both France and Scotland for about a year and a half each.

DeeDee was active in the Spokane Valley Junior Soccer Association and helped with the dedication and opening of the Plant's Ferry Soccer Complex.
