SHISHA, NARGILEH, HOOKAH

Egyptians call it **shisha**, the Lebanese call it **nargileh**, and here it's the hookah. For centuries, across Cairo, Beirut and Istanbul, the water pipe has been the centerpiece of long evenings in cafés: friends around one table, tea or coffee within reach, and no reason to hurry.

That's the spirit of our lounge. Order a hookah, share a mezza plate, and let the evening take its time.

HOW TO ENJOY

1. Pick a flavor, mix any two, or try one of our House Blends.
2. Your server prepares the hookah, lights the coals and brings it to your table.
3. Use your own mouth tip; ask your server for extras for the table.
4. When the flavor fades, ask for fresh coals or a bowl refill ($20).

Make it a night

Pair your hookah with our **Combination Mezza Plate** (20) and a **Fusion Moscow Mule** or a **Frozen Mint Lemonade**.
