Vacation Policy

After two months of continuous care, each child is allotted annual vacation days based on their regular weekly attendance schedule. For example: A child who attends 3 days per week will receive 3 vacation days per year. A child who attends 5 days per week will receive 5 vacation days per year. A minimum of two weeks' notice is required to use vacation days. Vacation days will be credited to the family's account the month following their use.

Vacation days are issued/reissued in September and are available to be used until the end of August.
