

Shaker Farms Country Club

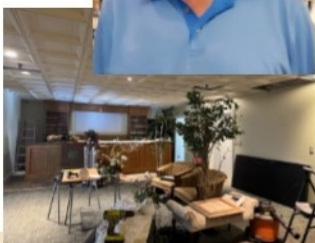

Feb. 20226

Tom Denton

Aug 5th, 1966 ~ Dec. 31st 2025

It is with deep regret that we share the passing of one of our own. The camaraderie of Shaker meant so much to Tom, and losing him feels like losing a piece of the Shaker Farms family — someone whose kindness, laughter, and steady presence made this place feel like home. Golf was more than a game to him; it was how he built friendships and supported the people around him. His absence will be felt across the course, the clubhouse, and in the hearts of everyone who knew him. He will be truly missed.

2026 Renovations

A huge shout-out to Dan Sullivan, who practically lived at Shaker this past month — stripping wallpaper, repairing walls, sanding, spackling, and meticulously painting (all while surviving Nancy's paint-picking adventures). And he did all of this while getting ready for a brand-new knee this Friday — good luck, Dan. Big thanks as well to Jeff Roberts for the fantastic ceiling work, and to Harnell and Gabby, who always jump in whenever a project pops up. And of course, thank you to Grace Burke and Brendon Mielke for lending their helping hands too.

And for the not-so-glamorous renovations — like tackling the kitchen floor — it was a true conglomeration of helpers. Special thanks to Nicole Perry for diving into the deep-cleaning and keeping everything moving.
