President's Cup Winners!!

Mike Barnes

Sue Hampton

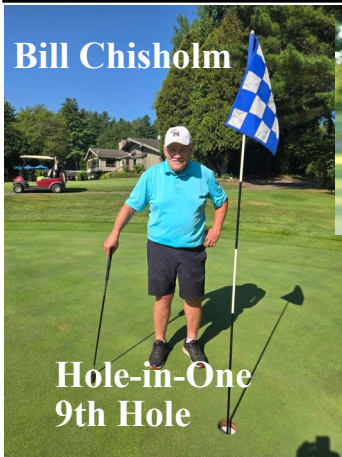

It was two days of net own ball chaos, clutch putts, and questionable club choices—but in the end, we had our champions!

Sue Hampton squeaked past Kara Stackpole by a single stroke in the women's division. **Mike Barnes** squeaked by Jim Laverty

proving once again that squeaking is a legitimate strategy.

President's Cup Recap Two days, tons of laughs, and some seriously close calls! Congrats to our champs!
