## Deck and Railing Warranty

Fesco guarantees our decks and railings for 2 years against defects in workmanship

Wood decks:

- Decking and railings are warrantied for 1 year against defects in materials
- Shrinkage, warping, checking and cracking are natural processes of the wood and not covered
- Wood decks are not maintenance free and require a sealer or stain to be applied within the first 6 months

Synthetic decks and railings such as composites, vinyl and aluminum are covered by their respective manufacturer's warranties for material coverage. These products are low maintenance but still require maintenance according to manufacturer's specs.

All repairs on warrantied materials or workmanship must be performed by Fesco Fence
