Step by Step directions for Agent Day Audition ...

- ❖ Fill out the small audition form [clipped to the clip board].
- ❖ Return clipboard to designated bin.
- ❖ Ages 10 and older, fold script to only show the commercial; hold script at shoulder level with elbow slightly bent [do not cover face nor have it at your belly button]
- ❖ Before you enter the audition room, watch the person in front of you. This will help you on what to expect in the audition room with the Industry Professional Agent and St. Louis' Agent.
- ❖ Talent will give Donya the small audition form and give the Guest Agent your headshot and resume.
[Talent does this, not the parent]
- ❖ If you have a purse, phone, or any extra stuff in your hands, put it on the chair by the audition mark.
- ❖ If you have a fan club, they go to the door in the room away from the door you entered.
- ❖ Take your mark [X] on the floor.
- ❖ Slate to the camera or the guest Agent. Ask them where you need to look, if you have not been told.
Make sure you speak loud and clearly. And we can understand your name when you slate.
- ❖ Perform your commercial for the camera. Don't read the TV Commercial, perform it!
Use facial expressions and inflection in your voice to make it interesting. Remember, you are talking to a friend.
- ❖ It's all about the choices you choose on how to deliver your TV Commercial.
