Joshua Revives LiteHouse Management

LiteHouse Management is a talent management company dedicated to discovering and developing actors who are early in their careers. We specialize in guiding emerging actors through the complex entertainment industry with a hands on approach. We believe our clients are unique in their own way and we never want to put them in “a box”.

Joshua started Megan Skiendiel’s acting career, who is a member of Katseye, Harrison Cone, who is on the **Bold and the Beautiful**, Tyler Lofton, who is a lead in the Series “**Homestead**”, Lydia Martinez, who had the **#1 Super Bowl commercial in 2022** with Anna Kendrick, Devon Daniels who has toured with JoJo Siwa and Danity Kane. You can see his talent on Netflix, FreeVee, Disney+, AppleTV+, FreeForm (previously ABC Family), FreeVee (Amazon), CBS.

Our track record speaks for itself. Actors who once had only a handful of roles—or none at all—have gone on to land appearances in major films, streaming productions, and network television. We are excited to get to know you!
