## Shower Doors

City Glass Co., Inc. offers a variety of framed, semi-frameless and frameless shower doors.

Add beauty and style to your home with an "All Glass", or frameless shower door! All units include 3/8" tempered glass with your choice of glass patterns and hardware finishes. All are custom measured to perfectly fit your bathroom.

Styles include: Door, Side Panels, Steam Units, Sliders, Neo-Angle, and more! You count on us for precision measurement and installation.

### Glass Options

### Finishes

Will service within 100 miles

## COMMERCIAL GLASS WORK

- ◆ Aluminum storefront and entrance doors
- ◆ Automatic sliding or swinging doors
- ◆ Dressing room mirrors
- ◆ Hardware (www.crlaurence.com and www.globaldoor.com)
- ◆ Replace broken glass – doors, windows, mirrors

## Patio Doors

If you are interested in repairing or upgrading your current patio doors, please give us a call to see the high quality variety of options we have.

Grant yourself peace of mind when you enlist the family owned and operated team that backs their work with applicable warranties and references.

## Mirror Glass

City Glass Company, Inc. offers a large variety of mirror options. Including beveled, bevel strip overlays, and a myriad of specialty frame-over-existing mirror frames. MirrorMate and Precision Frameworks feature a trim addition system with a list of design and color choices to add new flair to your existing mirror.

## Storefront Glass

City Glass Co., Inc. offers storefront glass custom made for your business.

Maybe you're an existing business and want a fresh look. Or if you're the new guy on the block and want to look good for your customers. Visit with us and we can offer you options for the new face of your storefront.

Make a stunning first impression with brilliant, high-quality glass and mirror works, including sliding doors and mall store fronts, from the professional team of City Glass Co., Inc.!
