

AFFIRMA™

52" Steel Above Ground Pool

The Affirma™ steel structure is protected by a combination of finishes that optimize its resistance to corrosion, while preventing condensation between the liner and the wall. This ensures dependable durability for many summers of enjoyment! Its neutral color palette ensures it will complement any backyard décor.

AVAILABLE SIZES:

ROUND: 15' • 18' • 21' • 24' • 27'

OVAL: 12' x 24' • 15' x 30'

ENDLESS SUMMER
ABOVE GROUND POOLS

AFFIRMA™

STRUCTURE

- 6" multi ribbed top ledge with 5" fully supportive upright.
- Synpro™ resin decorator ledge cover won't chip, peel or splinter. Tie-in support to the upright for greater rigidity, and flush design eliminates exposed screws.

VOG-LOK™ SYSTEM

- Pre-grooved parts to make screw installation easy.
- Screws lock in place to maintain structural integrity.
- Concept exclusive to Vogue.

OVAL SYSTEM LATERAL SUPPORTS

- More lateral supports on the straight sides of the oval pool, where they are needed most.
- Angle base plates to ensure greater stability.
- Pressure plates to reinforce the connection of the straight and round portions of the oval pool.

CORRUGATION

- A rippled finish lets the wall resist water pressure and external shocks.

WALL JOINTS

- Computer-designed wall joints ensures better resistance to water pressure.
- Wall is reinforced with steel bars.
- Oversized bolts augment stability.

WATER SAFETY

Your Above Ground pool has been designed to provide you with years of safe, family fun. This entails that water safety must always be taken into account. When used incorrectly, your Above Ground swimming pool can be dangerous: Above Ground pools are shallow, and this makes diving and jumping unsafe. To ensure your Above Ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an Above Ground pool and conform to all local regulations.
