

Job Title: Golf Course Mechanic (Part-Time to Full-Time)

Pay Range: \$25–\$35 per hour (Based on Experience)

Position Overview

We are seeking a dependable and experienced Golf Course Mechanic to maintain and repair our fleet of golf course maintenance equipment. This position offers a range of 20 to 40 hours per week, depending on availability and operational needs. Compensation is competitive and based on experience.

Key Responsibilities

- Diagnose, service, and repair golf course maintenance equipment, including greens mowers, fairway mowers, rough mowers, utility vehicles, and Yamaha cart fleet
- Perform routine preventative maintenance (oil changes, filter replacement, blade sharpening, grinding, lubrication, etc.)
- Troubleshoot mechanical, hydraulic, and electrical systems
- Maintain service records and equipment maintenance logs
- Ensure all equipment is maintained in safe and reliable operating condition
- Coordinate parts ordering and inventory as needed
- Assist with equipment setup and adjustments to meet course conditions and superintendent standards

Qualifications

- Experience working on mowers and/or small engines required
- Knowledge of hydraulic, electrical, and fuel systems preferred
- Ability to diagnose mechanical issues efficiently and accurately
- Welding and fabrication experience is a plus
- Strong attention to detail and safety standards
- Ability to work independently and manage time effectively

How to Apply

Please submit your resume and a brief summary of your relevant experience to info@kilkarneyhills.com Qualified candidates will be contacted for an interview.

We are an equal opportunity employer and value professionalism, reliability, and a strong work ethic.
