Reports

The Reports under the Accounts tab will let you export your account transactions to Quicken™, Quickbooks™, a Text file or an Excel spreadsheet.

The screenshot displays the Frontier Bank website interface. At the top, a green navigation bar contains the Frontier Bank logo (a stylized 'FB' inside a diamond) and the text 'Frontier Bank'. To the right of the logo are links for 'Accounts', 'Move Money', 'Self Service', and 'Additional Services'. Further right is a 'Sign Out' link. Below the navigation bar, a white banner features a green 'Reports' button. A dropdown menu is open from the 'Reports' button, showing options: 'Overview', 'Detail', 'Documents', and 'Reports' (which is highlighted in yellow). Below the dropdown, there are three filter sections: 'Accounts' with a dropdown showing 'CLASSIC CK', 'Time Period' with a dropdown showing 'All', and 'Transaction Type' with a dropdown showing 'Checks'. At the bottom, a 'File Format Type' dropdown is open, showing options: 'Quicken (QFX)', 'QuickBooks (QBO)', 'Text', and 'Excel'. The background of the website features a collage of images related to agriculture, including a cow, a hand holding keys, and a 'HOME SWEET HOME' sign.

Transfer Funds

Transferring funds is just as simple as before, however new to Internet Banking, you can now create templates if you use the same accounts and dollar amount.

Account & Internet Banking Alerts

Alerts are a useful way to receive notifications of Account Balance thresholds or transfers made.

For security, you can set alerts to notify you if your Internet Banking has been used to change an email address, password or username. There are a number of alerts available, including some new ones. Enable one or turn them all on, you are in control.

The screenshot shows the Frontier Bank website's 'Alerts' page. The top navigation bar is green with the Frontier Bank logo, 'FDIC' badge, and links for 'Accounts', 'Move Money', 'Self Service', 'Additional Services', and 'Sign Out'. A dropdown menu from 'Self Service' is open, showing 'Self Administration', 'Alerts' (which is highlighted), 'Account Maintenance', and 'Secure Messaging'. The main content area has a green header with the word 'Alerts'. Below this, there are tabs for 'Account Alerts' and 'Service Alerts'. A message states: 'Here is a list of available alerts and your current settings. You can add a new alert and change or delete an existing alert.' There is a link for 'Show Contact Information'. A dropdown menu for 'Accounts' is set to 'CLASSIC CK - \$606.36'. The 'Account Transfer Alerts' section includes a toggle for 'Daily or Weekly Transfer Summary' (set to 'No'), a 'Frequency' dropdown, and a 'Deliver to:' section with a radio button for 'Primary Email' (set to a redacted email address). At the bottom, there is a toggle for 'External Transfer Initiated' (set to 'No'). The page is decorated with images of a cow, a hand holding keys, and a 'HOME SWEET HOME' sign.

There's So Much More...

In the Self Service tab, along with your alerts, you can securely message our Online Banking Customer Service Department, access the Self Administration to change your password or user name or even quick link to our Mortgage Center via the Additional Services tab.

If you have not signed up for Internet Banking, sign up today; it's FREE, simple, and with our Mobile Banking app, you can access your accounts anywhere.
