

Attractive & Strong

Display Rack

Holds (16) Bird houses or feeders

360° Display for entire bird family!

Built for year round exposure to the outdoors, every bird feeder and bird house is built with quality woods.

Aluminium hardware, construction grade exterior screws and sealed with exclusive color exterior grade paints.

The bird feeder features a hidden opening covered with a hinge lid for easily dispensing the birdseed.

Best of all they have proven to attract birds of their color as well as many other locals
