

Unique Structures

WITH QUALITY & STYLE

WHAT IS THE Country Garden Collection ADVANTAGE?

1

WE USE TOP QUALITY MATERIALS TO GIVE YOU THE LONGEST LASTING SHED.

All of our shingles are architectural Lifetime Warranty shingles, not the standard 3 tab shingles.

2

THE CONSTRUCTION OF YOUR SHED IS OF THE HIGHEST INTEGRITY.

We keep our production small enough to be able to assure the very best quality leaving our shop each and every time. The Country Garden Collection owner is directly involved in each shed constructed and each one needs to meet his approval. Country Garden Collection sheds are built by highly skilled and trained craftsmen.

3

WE OFFER EXCLUSIVE FEATURES.

Our Heritage Siding is a feature we are excited to offer. This distinctive board has a unique rustic appeal and has become a popular choice for our customers.

4

COUNTRY GARDEN COLLECTION HAS THE SHEDS YOU NEED.

We continue to expand the selection of sheds we manufacture to make sure you can count on the very best sheds from Country Garden Collection to have the shed you need.
