

Lifetime Limited Warranty

Mill Creek Shutters, LLC warrants to wholesale Buyer that our custom wood shutters are free from defects in materials and workmanship for the period of time during which the original retail purchaser owns the product. Buyer must deliver written notice of any valid warranty claim within the warranty period. Failure to give such notice in writing will constitute a waiver of any valid warranty claims. Due to the nature of metals, hinges are only covered for operation. The hinge finish is covered for a period of five years.

Limitation of Liability and Remedies

In the event the shutters contain any defects, Mill Creek Shutters, LLC will repair or replace, at its sole discretion, the defective components. This will be Buyer's exclusive remedy for valid warranty claims. This warranty does not cover damage caused by conditions outside the control of Mill Creek Shutters, LLC, such as misuse, chemical cleaners, acts of God (such as fires, floods, tornadoes, etc.), environmental damage (such as insect damage, exposure to sun, salt air, excessive humidity or moisture). This warranty also does not apply to conditions caused by normal wear and tear upon the product.

Under no circumstances will Mill Creek Shutters, LLC be responsible for any special, incidental, or consequential damages based on breach of warranty, breach of contract, negligence, strict product liability, or any other legal theory. This does not apply to personal injury claims.
