## **TERMS**

All new accounts C.O.D. until a credit application has been filled out and approved by our Credit Manager. All approved credit applications are net 10 days (\*) and are payable from invoice date. No statement will be mailed. A Service Finance Charge of 2% will be added to invoices outstanding at closing of our books at the end of the month following month of purchase.

(\*) This applies to accounts with approved Credit Applications on file and valid account numbers. Credit Applications are available from our salesmen. For Sales Exemption, we must have a state Sales Tax Exemption Certificate on file.

Lease and Finance Plans on equipment are available contact us.

## **QUANTITY DISCOUNTS**

Oils and anti-freeze are discounted by quantity ordered. See our quantity discount schedule for details. Our sales personnel will be happy to assist you when ordering and explain combining of some items to obtain further discounts. Some manufacturers offer extra discounts on direct truckload shipments.

## **RETURN POLICY**

A 20% re-stocking charge on all returns of new unopened merchandise. Returns must have prior approval. Original sales invoice number and date should accompany all requests. We reserve the right to refuse any returns of merchandise due to age, obsolescence, or unsalable condition. (No returns on special ordered merchandise are accepted.) Not to exceed 2% of previous year's purchase.

## **DAMAGED, LOST OR SHORT SHIPMENTS**

### **WAREHOUSE PICK-UP ORDER AND OUR DELIVERY TRUCKS**

All delivery receipts should be checked against merchandise received prior to signing of tickets. Note any discrepancies on delivery receipt.

## **UNITED PARCEL SERVICE SHIPMENTS**

If UPS shipments are not received in good order, report damage to local UPS office immediately giving full particulars.

## **FREIGHT SHIPMENTS BY RAIL OR TRUCK**

The items in shipments were packed in accordance with the rules and packing specifications set forth in the Railroad and National Consolidated Freight Classifications, and have been receipted for the original carrier in good condition.

If shipment is not delivered to you in good order and in accordance with quantity shown on Bill of Lading, have the shortage or damage noted by the delivering carrier's Freight Agent on both receipts and expense bill. If you accept shipment from Transportation Companies, short of what is enumerated on the Bill of Lading or damaged, without having proper notation by the delivering carriers agent, you do so at your own risk.

If boxes or crates are in apparent good condition, but upon opening contents are found to be damaged, call delivering carrier's Freight Agent or adjust to view same and have him make a bad order report on the freight bill relative to such concealed damage. Claims for Loss or Damage on shipment must not be deducted from our invoice, nor payment of the invoice withheld awaiting adjustments of such claims, as we do not guarantee safe delivery. We will not accept return of any materials unless permission to do so has been given by us in writing.

## **WARRANTIES AND ADJUSTMENTS**

Parker Brothers, Inc. does not warrant merchandise. Any warranties on the products sold by Parker Brothers, Inc. are those made by the manufacturers. Parker Brothers, Inc. is not responsible for transportation from the customer to the Warranty Repair Store. Parker Brothers, Inc. hereby disclaims all warranties, either express or implied, including any implied warranties of merchantability of fitness for a particular purpose. Parker Brothers, Inc. neither assumes nor authorizes any person to assume for it any liability in connection with the sale of said products. We will, however do everything we can to assist you, our customer, in obtaining proper credit on defective items and will pass on full whatever credit is granted by the manufacturer on such items.

Prices are subject to change without notice.
