However, it doesn't have to be!

You can reduce your stress and ease your burden with the help of SEGUES *Senior Move Specialists* who unlike traditional movers, are trained to help you navigate through the *physical and emotional aspects* of relocation and estate liquidation.

Downsizing

Keep – Gift – Sell – Donate – Recycle – Trash

Just what do you do with everything that's been accumulated over the years . . .

Especially those heirlooms and sentimental items that have brought you so much joy?

SEGUES has a *proven system* that will help you decide what to move, and what to give away to family and friends.

And with all the experience that we've gained in disposing of downsized items over the years, SEGUES can help you make *wise choices* about what to sell, donate, recycle or trash.

Moving

Stage – Pack – Move

Successful moves require lots of coordination.

It's not just a matter of packing up your household and scheduling a mover. You need to make sure your new home is ready, and your current home is set to sell, or in move-in condition for the buyer.

If you first need to sell your current home, SEGUES can work with you and your realtor to "stage" your home to make it more attractive to buyers. We can:

- ▶ Pack-Up Personal Treasures that distract buyers
- ▶ Rearrange Furniture to create a better flow
- ▶ Organize Closets & Storage for a more spacious look

And when you're ready to pack and move, SEGUES' friendly and efficient staff can make it happen in record time because we are able to:

- ▶ Provide FREE Boxes & Packing Supplies
- ▶ Professionally Pack & Label All Items
- ▶ Coordinate Move-In at the New Location
- ▶ Change Mailing Address
- ▶ Schedule & Supervise Trusted Movers
- ▶ Place Furniture According to Developed Floor Plan
- ▶ Unpack & Put Things Away
- ▶ Remove Boxes & Packing Materials

Affectionately called "The Purple Shirts" SEGUES provides as little or as much help as you need, when you need it!

Settling In
